## CAREER OBJECTIVE

Adaptable professional with years of experience in leadership and collaboration. Aiming to leverage my skills to successfully transfer into the web development industry with a focus on the front end.

## EXPERIENCE

### FRONT END WEB DEVELOPER

*Freelance, New York, NY / Sep 2020 - Present*

- Self taught and passionate about professional growth
- Demonstrated project experience across multiple front end technologies (see portfolio)
- Created web applications and components from requirements stage, through design, through deployment
- Designed graphic user interface elements like menus, tabs, and search interfaces
- Experience contacting external APIs and rendering response information in an aesthetically pleasing manner
- Ensured consistent quality of content across all devices

### CENTRAL RESERVATIONS AGENT

*Ace Hotels / Jun 2019 - Mar 2020*

- Matured remote working skills and collaborative prowess by engaging with individual hotel staffs across the country (Los Angeles, Chicago, New Orleans, NYC)
- Developed expert level knowledge of the Opera property management system and supplemental technologies from front and back facing perspectives

### ASSISTANT FRONT OFFICE MANAGER

*Ace Hotel (NOLA/NYC) / Apr 2018 - Jun 2019*

- Demonstrated leadership experience in both the New Orleans and NYC hospitality industries
- Acted as hotel manager on duty on PM and overnight shifts, responsible for overseeing all hotel operations (front office, housekeeping, engineering, security)
- Resolved guest concerns and implemented resolutions
- Provided training, motivation and counseling to front office staff
